

Central Catholic Parents/Guardians:

According to PIAA rules your son must have a pre-participation physical examination prior to the start of the sports season. The PIAA mandates that physicals are completed on their PIAA CIPPE form. Attached are a number of forms that must be filled out for your son to be eligible to play any sport for the school this year. The physical is good for the entire school year. Driver's license and work permit physicals do not count. It should also be noted that the physical/vaccinations form for incoming freshmen **does not** count as clearance for the PIAA. The PIAA Form **MUST** be completed. The last set of forms concerns the Health Information Portability and Accountability Act (HIPAA). The first is a consent form to treat which allows me to treat your son as a Certified Athletic Trainer. If this document is not signed I can only perform basic life support and first aid. Once this document is signed I am able to perform all duties which fall in my scope of practice including injury prevention, management, and rehabilitation. The second form is a release of health information. This document allows me to discuss any injuries with the APPROPRIATE school personnel (i.e. coaches, school nurse, etc.). ***Please do not mail these forms to the school--give them directly to your head coach.*** If you have any questions, feel free to call me at 412-208-3455.

Sincerely,

Andy Macurak, MS, ATC  
Certified Athletic Trainer

# PIAA COMPREHENSIVE INITIAL PRE-PARTICIPATION PHYSICAL EVALUATION

**INITIAL EVALUATION:** Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first four Sections of the CIPPE Form. Upon completion of Sections 1, 2, and 3 by the parent/guardian, and Section 4 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be performed earlier than June 1<sup>st</sup> and shall be effective, regardless of when performed during a school year, until the next May 31<sup>st</sup>.

**SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR:** Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 5 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 6 need be completed.

## Section 7: CIPPE MINIMUM WRESTLING WEIGHT

### INSTRUCTIONS

Pursuant to the Weight Control Program adopted by PIAA, prior to the participation by any student in interscholastic wrestling, the Minimum Wrestling Weight (MWW) at which the student may wrestle during the season must be 1) certified to by an Authorized Medical Examiner (AME) and 2) established NO EARLIER THAN six weeks prior to the first Regular Season Contest day of the wrestling season and NO LATER THAN the Monday preceding the first Regular Season Contest day of the wrestling season (See NOTE 1). This certification shall be provided to and maintained by the student's Principal, or the Principal's designee.

In certifying to the MWW, the AME shall first make a determination of the student's Urine Specific Gravity/Body Weight and Percentage of Body Fat, or shall be given that information from a person authorized to make such an assessment ("the Assessor"). This determination shall be made consistent with National Federation of State High School Associations (NFHS) Wrestling Rule 1, Competition, Section 3, Weight-Control Program, which requires, in relevant part, hydration testing with a specific gravity not greater than 1.025, and an immediately following body fat assessment, as determined by the National Wrestling Coaches Association (NWCA) Optimal Performance Calculator (OPC) (together, the "Initial Assessment").

Where the Initial Assessment establishes a percentage of body fat below 7% for a male or 12% for a female, the student must obtain an AME's consent to participate.

For all wrestlers, the MWW must be certified to by an AME.

Student's Name \_\_\_\_\_ Age \_\_\_\_\_ Grade \_\_\_\_\_

### CERTIFICATION

Consistent with the instructions set forth above and the Initial Assessment, I have determined that the herein named student is certified to wrestle at the MWW of \_\_\_\_\_ during the 20\_\_\_\_ - 20\_\_\_\_ wrestling season.

AME's Name (print/type) \_\_\_\_\_ License # \_\_\_\_\_

Address \_\_\_\_\_ Phone (     ) \_\_\_\_\_

AME's Signature \_\_\_\_\_ MD, DO, PAC, CRNP, or SNP Date of Certification \_\_\_\_/\_\_\_\_/\_\_\_\_

For an appeal of the Initial Assessment, see NOTE 2.

### NOTES:

1. For senior high school wrestlers coming out for the Team AFTER the Monday preceding the first Regular Season Contest day of the wrestling season the OPC will remain open until January 15<sup>th</sup> and for junior high/middle school wrestlers coming out for the Team AFTER the Monday preceding the first Regular Season Contest day of the wrestling season the OPC will remain open all season.

2. Any athlete who disagrees with the Initial Assessment may appeal the assessment results one time by having a second assessment, which shall be performed prior to the athlete's first Regular Season wrestling Contest and shall be consistent with the athlete's weight loss (descent) plan. Pursuant to the foregoing, results obtained at the second assessment shall supersede the Initial Assessment; therefore, no further appeal by any party shall be permitted. The second assessment shall utilize either Air Displacement Plethysmography (Bod Pod) or Hydrostatic Weighing testing to determine body fat percentage. The urine specific gravity testing shall be conducted and the athlete must obtain a result of less than or equal to 1.025 in order for the second assessment to proceed. All costs incurred in the second assessment shall be the responsibility of those appealing the Initial Assessment.
